D. DID YOU KNOW...?

Online Pharmacy - A Place to Save

For one reason alone America's seniors have looked to other countries as a source for their prescription medication needs: Price. Originally, seniors in Border States looked to Canada as the first choice provider for these overpriced drugs. Television news stories showed America's greatest generation lining up to get on GreyS2.5y, s/e2tMterwedbus esfor "vaicatio"p toeviset uir
